In Support of HPH Hospice

The Hogan Law Firm is pleased to announce that HPH Hospice will again be the beneficiary of the 11th Annual Charitable Fishing Tournament.

It is our honor to Memorialize each fishing tournament in the future to our long-term dedicated employee, Ken Paul. Ken passed just after our 2018 fishing tournament of brain cancer. He was a large supporter and integral contributor to our fishing tournament each year. He is greatly missed.

Since 1984, HPH Hospice has offered quality, compassionate hospice care to everyone in Pasco, Hernando and Citrus counties. In February 2015, the organization became an affiliate of Chapters Health System that allowed access to a greater depth of clinical expertise and resources.

HPH Hospice patients receive services wherever they call home-in a primary residence, assisted living facility, skilled nursing home, hospice care center or hospital. And as a not-for-profit provider, HPH Hospice never denies services to anyone due to financial hardship.

Charitable Contributions to Hospice

Sponsorship is critical to the success of this event. The 11th Annual Hogan Law Firm Charity Fishing Tournament puts the to-date donation to HPH Hospice at over \$200,000, in large part due to the generous contributions of our sponsors. We encourage you to look over our available levels of sponsorship. We hope you will find this to be as worthy a cause and organization as we do.

Media Coverage

With two months of publicity and media activity prior to the event, the tournament and its sponsors are well advertised.

The media efforts include a full page ad in the local newspaper, local and regional radio station broadcasts, a website, a Facebook page, and advertising on news sites.

The Hogan Law Firm believes in HPH Hospice and its mission, and feels that the organization is worthy of benefiting from this charitable event. The past ten tournaments have raised over \$200,000 for HPH Hospice.

We hope you will consider the potential sponsorship opportunities and join us in support of HPH Hospice.

The Hogan Law Firm presents a check in the amount of \$14,846.61 to Hospice which represents the proceeds of the 9th Annual Fishing Tournament.

Event Attendance

The event averages 75 anglers. Anglers depart the beautiful Bayport area for a day of flats fishing.

After "measure in", anglers and their families gather at the Coast Guard Auxiliary in nearby Hernando Beach for an awards ceremony and a delicious BBQ dinner catered by Sonny's BBQ.
